

- **ON-GOING CASES/ISSUES:**

- **Clean Water Branch**

Nonresponsive based on revised scope

- **PA Integrated Report (IR):** On August 10, 2020 EPA provided comments to PADEP on the draft IR that is open for public comment. The comments are intended to correct errors prior to EPA receiving the report for official review and action. We are awaiting submission from PADEP for regulatory review and we are drafting a letter for RA signature closing consultation with the Seneca Nation on this anticipated action.
